The Rotary Clubs Scholarship Golf Outing is run by the West Allis and Whitnall Park Rotary Clubs in conjunction with District 6270. District 6270 covers southeastern Wisconsin. The purpose is to raise money for local Rotary Clubs to give back to their communities in the form of scholarships for high school or college students. *The proceeds will benefit local students with scholarships to further their education at a college or university.* By participating as a sponsor or as a golfer you will give back to the community you live in and work in and help those students in that community to get a better education at the college of their choice.

1. The development of acquaintance as an opportunity for service;
2. High ethical standards in business and professions, the recognition of the worthiness of all useful occupations, and the dignifying of each Rotarian's occupation as an opportunity to serve society;
3. The application of the ideal of service in each Rotarian's personal, business, and community life;

Every golf outing is a success because of the people that attend and to all the companies that support it through sponsorship. The Rotary Club would like to thank you for helping us to make this a complete success and enable us to help as many students as we can to get the education to succeed in life.

There's no escaping the fact that college prices are rising. According to recently released reports from the College Board, most students and their families can expect to pay, on average, from \$108 to \$1,398 more than last year for this year's tuition and fees, depending on the type of college. We hope to help defray some of these costs.

*Thank you,
Rotary Club*
